RG104 E-1 Box 185

March 3rd 1894

Mr. H. L. Eglin
Chief of Police
Dear Sir

The grounds on
the corner of the W.T. Hunt
Lumber Company by
Mulkey & Keyser, all now
lieing clear. They were
covered corner. Big pecan
grounded, one pecan stump
the corner found through
the mill, and the entire
work this corporation
entail work which named
by the Municipal Court.

Yours Respy Neal Perkins

NARA RG104, Entry 1, Box 185

March 3, 1894

Mr. W.C.L. Eglin
Chief of Relic Dept.

Dear Sir

The grounds on the wires of the U.S. Mint have been cleaned by Walker & Kepler, all now testing clean. There were several causes, viz: puncture grounded, one place when the wire passed through the wall, and the cutouts with their current was coated with what seemed to be metallic dust.

Yours Respy,
Ned Prettor
